Every Sunday at 6pm on WNTC AM and FM stereo, we invite everyone to listen to "Potsdam This Week".

The Show was meant to serve as a forum for students to present information, and to spotlight the activities of the many student organizations.

In the past, we have had guests from the Clarkson College Theater, Clarkson College Student Senate, Schlaghter and Bach, and the Society of Women Engineers.

The group from the theater organizations discussed their plans for the fall and spring productions. We invited the vice president of Clarkson Student Senate to talk about what the Senate is, what it might do, and the freshman elections. Schlaghter and Bach allowed us to relive some highlights of their concert at the Rat. Finally, we interviewed one of the coordinators of the Socieyt of Women Engineers conference which took place last weekend.

We urge the leaders of all student organizations both at Clarkson and at State, to contact us whenever your group plans an event. We can furnish some extra free publicity and, at the same time, get people interested in your organization. Don't hesitate to contact our program director, A.C. Mendiones at 268-2014.
